

TECHNICAL DATA SHEET

Name of the product	Sintotan
Technical Data Sheet n.	4872
Packaging	25 Kg paper bag (Two paper layers outside and three HDPE layer inside)
Product Code	MAMA989

CHARACTERISTICS	UNITS	VALUE + TOLERANCE	METHOD
Appearance:		Brown free flowing granules	Visual
Loss on drying:	%	Not more than 8.0	Internal Method
Tannin content from chestnut extract:	%	65 ± 3	Internal Method
Pb	ppm	Max 5	AA
Cd	ppm	Max 2	AA
As	ppm	Max 2	AA
Hg	ppm	< 0.01	AA
Sugar content	%	14 - 16	Internal Method
Particle size	%, mm	300 – 1000 mm Residue < 300 µm: 5% max Residue > 1.000 µm: 3% max	Particle size test

Technical Department
SINTOFARM SPA

Technical Data

Appearance	Brown free flowing granules
Composition	Chestnut extract / CAS no. 84695-99-8 / EC no. 283-619-0: 85% [Tannin content: 63.0% - 65.0%]
	Bentonite [E558]: 15%
Category	Sintotan is a premix containing an additive belonging to the category of natural products botanically defined; category 2, functional group b
Animal species	Pigs, piglets, calves, beef cattle, dairy cows, poultry and rabbits
Packaging	25 Kg paper bag (Two paper layers outside and three HDPE layer inside)
